

Here is some important information about the conditions of your participation as a speaker, in the case that your proposal is selected. These conditions are not negotiable; therefore, we kindly ask you not to submit your proposal if you, if you do not agree with the terms indicated below.

Important Facts for Speakers

Travel costs

The organisation will pay up to 300 € (Bilbao edition) or \$300,00 (Los Angeles edition) for travel expenses. Speakers will book and pay for their own flight, and the organisation will pay for the travel costs after the Conference. Therefore, speakers are requested to present the corresponding invoices along with the travel expenses form.

Registration and Hotel accommodation

The organization will bear the costs of the speaker's stay in Los Angeles at a hotel of Technarte's choice, in the case that the artist comes from outside the city. The hotel room will be automatically booked on the speaker's name. **The Hotel cost is directly assumed by the organisation for a maximum of 3 nights.**

As a speaker you are automatically registered for the whole Conference. **The attendance of the speakers during the two days of the Conference is necessary, and not only during his/her presentation.**

Coffee breaks, meals and the official dinner during the conference are also included for all the speakers. Speakers are also invited to the dinner on the warming up day.

Guests, relatives and co-authors

*Our budget is limited and, unfortunately, all costs made for the **speakers' guests** such 2nd and 3rd authors, family, colleagues, and friends cannot be charged and will not be covered by the organisation.*

***We offer a 50 % discount on the conference ticket price for co-authors** in case that they will take part in the presentation (and includes warming-up dinner, lunch and official dinner during the conference), and 50% discount on the conference-ticket's price for Speakers' relatives (this does not include the hotel room in any of the cases). Social events, like the official dinner and the warming-up dinner are for speakers and co-authors only.*

If relatives are joining the speaker at the event, we will charge the following costs:

\$250 ,00 (hotel stay and warming up activities)

Those costs will be settled with the travel expenses
